**Psst! Wanta hear what God has to say?  
Take a look at his DIARY.**

You can find out a lot about someone by reading his diary or journal - how that person thinks and feels, his hopes and dreams and intentions. It will tell you lots and lots about how he relates to those he loves and what he wants for them.

The Bible is something like God's diary. It provides a wealth of details you and I need to know about God and his thoughts, expectations and plans. So, if you're trying to pick out God's voice in your crowded world, your single best way to recognize it is to read his diary.

Millions and millions of copies have been printed, and there must be one you lay your hands on. Pick one up and start reading today. Believe it or not, **GOD WANTS YOU TO!**

Dear God, thank you for the wonderful gift of your written word. Open my heart and mind to your call to pick it up and read it, to make it a part of me.

Overcome any fears or reluctance I may have to listen to your voice in the Bible. Remind me that you know me better than I know myself, that you love me, and that you want me to know you better.

Thank you, Father, for the Word made flesh in your Son, Jesus Christ. Lead me to seek him daily in your diary.

In his name I pray. Amen.
